We want everyone in our congregation to be part of the campaign's success. If you have not yet made your gift or pledge, you still can. Whether it's a multiple of \$1870 (the year our congregation was founded) or another amount, please consider making your contribution today. Visit our website www.bnaijehudah.org to make a multi-year commitment or one-time donation.

We hope to celebrate 100% participation by our congregation in the campaign. Great things are in store for B'nai Jehudah in the coming years! We look forward to sharing these simchas with you.

*List is of pledges made before
1/10/2019*
