Immunization Policy: Effective June 1, 2015, The Temple, Congregation B'nai Jehudah requires that children participating in our Preschool, Religious School and Youth Programs be up to date on immunizations recommended by the Advisory Committee on Immunization Practices (ACIP) and the Centers for Disease Control and Prevention (CDC) regarding immunization against childhood diseases. Children for whom immunization is medically contraindicated may be exempt from this requirement if their medical contraindication is documented by a physician (MD or DO) who is board certified by a certifying board which is a member of the American Board of Medical Specialties (ABMS). Based on our understanding of Jewish values, B'nai Jehudah does not recognize an exemption from this policy for religious purposes.
